UniSZA Communication Transformation

Coming Soon!

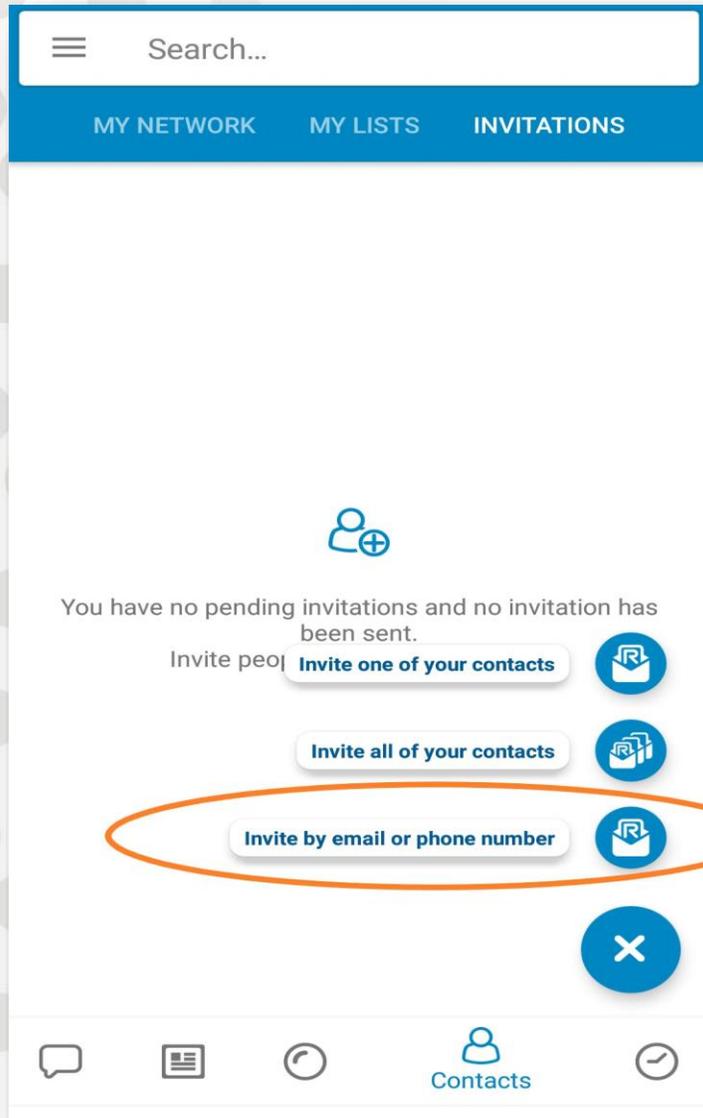

Let's Start – Use This Step

1. Choose
Contact from
Main Page

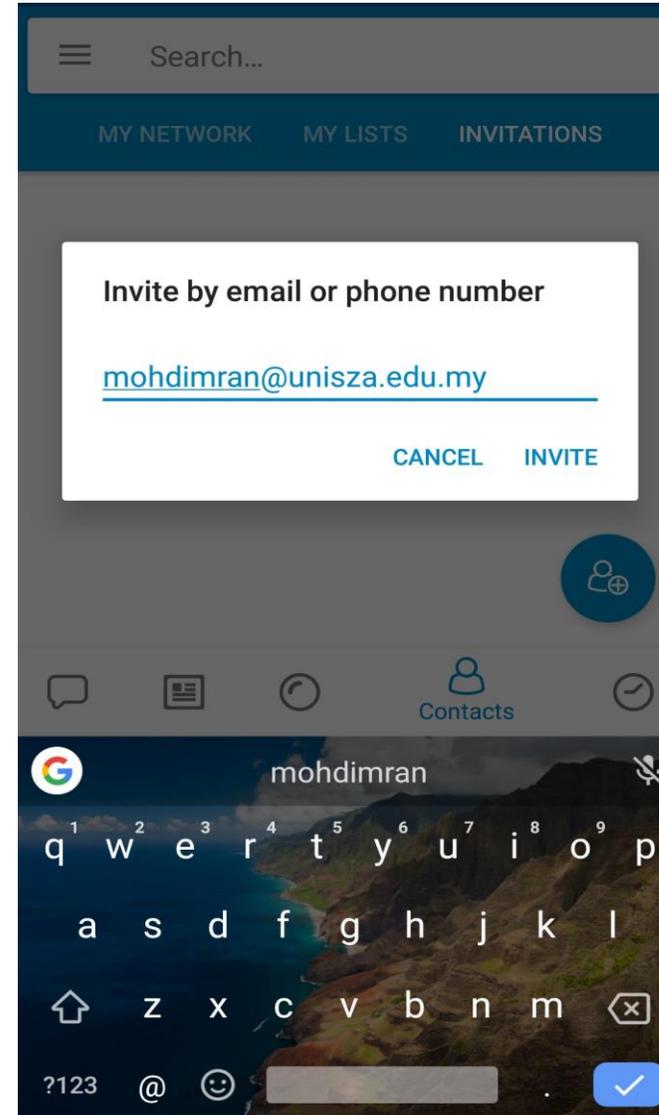

2. Under
Invitations,
choose Icon Add

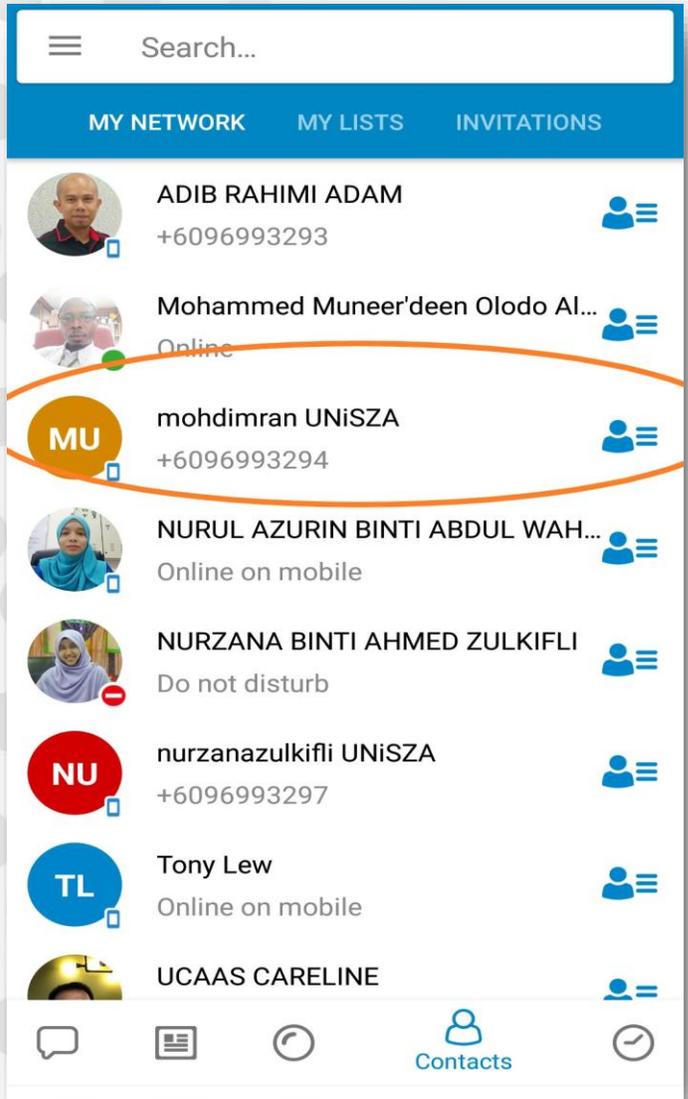

3. Choose invite by email or phone number

Note :
If you choose to invite all contacts or one of your contact, system will send a SMS to them.

4. Type email or phone number of your contact that you wish to add to your network list.

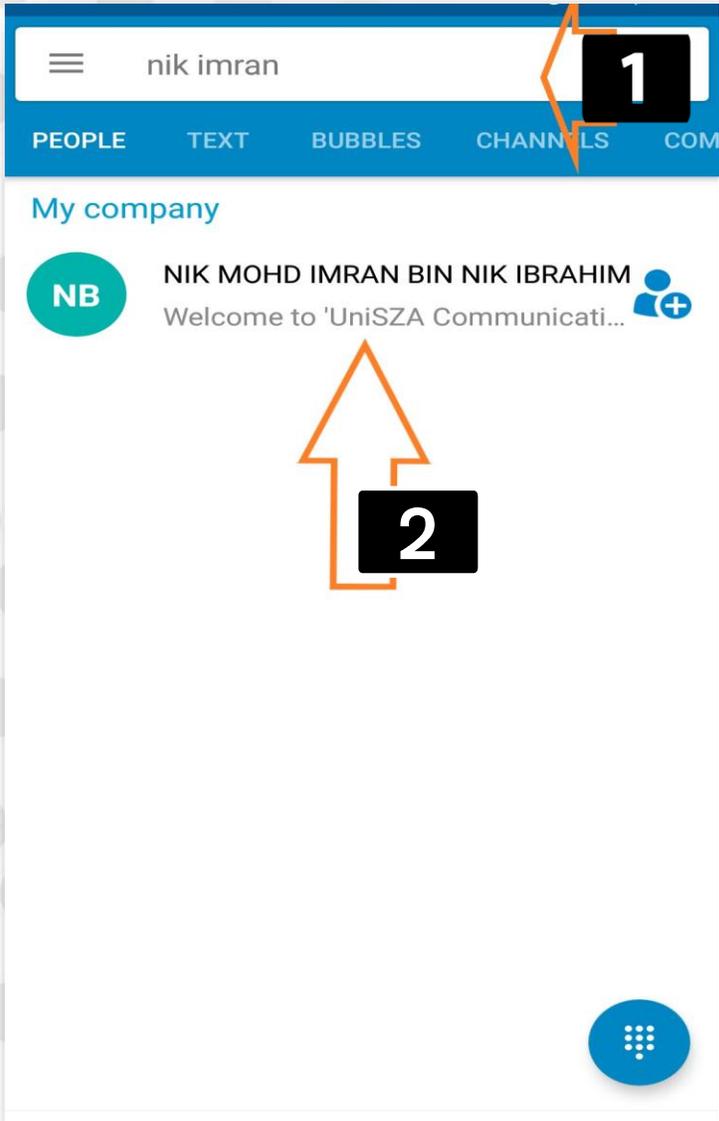

5. If your contact is in the same company, automatically they will be in your network list.

There are other ways to add your contact.
